Bacteria for clear water!

Activator Gel

Activator is an ideal maintenance product, the increased performance of bacteria optimises water quality and naturally prevents algae growth.

No dyes

Natural

Fast operation

Biocatalyst, contains plant nutrients for bacteria.

Contents: 1 litre sufficient for 20,000 litres of pond water.

Contents: 2.5 litres sufficient for 50,000 litres of pond water.

Use Bactoplus Activator in combination with Filter Start or Filter Start Gel, the unique plant extracts turbocharge the purification bacteria and thus ensure optimal biology.
